1. If you would like us to bid on your behalf in the next DVLA auction please confirm your maximum 'bid price' for the registration number/s listed. To your bid must be added the Auctioneer's fee of 8% + VAT plus then our commission of £175 + VAT and also £80 DVLA Transfer Fee.
2. It is advisable that you put forward as high a bid as possible to increase your chances of a successful purchase, keeping in mind that you will only pay the 'Auction Price', - not your bid price which may well be higher than the actual hammer price. A copy of the auction invoice will be supplied.

If your bid is successful, the balance of any monies owing will be required within 10 days after the auction has taken place (Including our commission of £175 + VAT).
